## **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The prior art when taken separately or combined fails to teach and/or show a heat sink assembly for a light emitting diode having a mounting die having a recess formed on a first side of the mounting die with an aperture extending there through to receive a light emitting diode and with means for conducting heat from the light emitting diode to the mounting die and in which the luminescent portion of the light emitting diode extends through the aperture in the mounting die.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen F. Husar whose telephone number is 571-272-2371. The examiner can normally be reached on M-W and F from 7:30-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sandra O'Shea can be reached on 571-272-2378. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
